Protecting Your Privacy and the Environment

We are dedicated to protecting our patients' personal information. That's why we hired Shred-it to regularly visit our office to shred paper documents under our watchful eye. Good for you, good for the environment, good for us! Learn more about Shred-it's [Corporate Responsibility to the Environment](#).

goSeamlessplus Diabetic Socks Now In-Stock

We love these socks – and so do our patients! goSeamlessplus socks feature

- Seamless technology with a non-binding ribbed top and comfort toe
- Full cushioning, reduces friction and shearing
- Antimicrobial protection and wicking properties
- Quality fibers for longevity

Lots of styles and colours available for men and women. goSeamlessplus today! They make great “stocking stuffers”.

Did you know?

At Werkman Chiropody we always recommend that people who have pedicures – at the very least - bring their own base coat. The reason is because it's the base coat that is mostly likely the cause of shared nail fungal infections. Why take the risk? We encourage all our patients to take all three products, base, colour, top coat to every pedicure appointment.

Dr.'s REMEDY® Is Getting Rave Reviews and Results

Patients have been telling us – and we've been noticing - that the “white dots” that often appear on toe and finger nails after long term nail polish use, are fading away! We're so pleased with the results we've created “Christmas Comes Early to Oakville”!

Special Offer: For every two bottles of Dr.'s REMEDY® Enriched Nail Polish (base, colour, or top coat) purchased from now until December 31, 2011, we'll give you Dr.'s REMEDY® Nail Polish Remover absolutely FREE! Purchase three bottles (base, colour, or top coat) and we'll give you the fourth bottle free!

Dr.'s REMEDY® Enriched Nail Polish is the only over the counter enriched polish, created by doctors, designed to be free from harmful toxins found in most commercial nail polish (DBP, Toluene

and Formaldehyde). Use Dr.'s REMEDY® as a healthy alternative to commercial nail polish, and especially if you suffer from: nail fungus, brittle, discoloured nails, have an allergy to chemicals in commercial nail polish, or are pregnant. [Learn more...](#)

NEW! 20-30mmHg SIGVARIS Active Therapy Sock is now available

When an athlete slips on a SIGVARIS Active Therapy sock, his or her legs will instantly feel supported and comfortable, but the real benefit of wearing “true graduated compression” happens at a deeper level. All SIGVARIS Active Therapy socks use the science of true graduated compression. [Learn more...](#)

Consult with your physician to obtain a prescription for the appropriate SIGVARIS® product and compression strength for your condition. Then call our office and schedule an appointment with one of our SIGVARIS® Certified fitters and we will take the appropriate measurements to ensure a proper fit of your SIGVARIS® garment, as well as instruct proper donning (taking stockings on & off) and care.

NEW! and "oh so soft and comfortable" Soft Opaque Medical Compression Hosiery

SIGVARIS Soft Opaque Medical Compression Hosiery is the ideal complement to any casual, dress or office attire. This hosiery combines all-day softness and comfort with the greatest possible durability. Soft Opaque stockings look as great as they feel. They provide flawless perfection for legs and are stylish enough for everyday wear.

Available in 15-20mmHG, 20-30mmHg and 30-40mmHg (Q3), 3 styles and 5 fashion-forward colours. Loved by all who wear them (including our office manager, Vicki Werkman!).

Consult with your physician to obtain a prescription for the appropriate SIGVARIS® product and compression strength for your condition. Then call our office and schedule an appointment with one of our SIGVARIS® Certified fitters and we will take the appropriate measurements to ensure a proper fit of your SIGVARIS® garment, as well as instruct proper donning (taking stockings on & off) and care.

We're looking forward to seeing you again soon!
